HOW THE SHARE-A-THON WORKS

WE PROVIDE A FULL SERVICE PROGRAM THAT IS ALL-INCLUSIVE AND NO WORK FOR YOU!

At the end of the day, it's about funding that new equipment, trip, or that educational program that your group deserves. We will customize your two week Share-a-thon Donation program to maximize your return and minimize your efforts.

Groups can earn from 70% all the way to 90% profit on our ALL-INCLUSIVE program!

STEP ONE: MEET WITH YOUR CONSULTANT

Your pledge-drive consultant will meet with your leadership and gather all the important information about your group and your goals. Your consultant will work with you to come up with great incentives for your participants if needed, and will set up all of your participant Share-a-thon donation pages. Once the sites are created, it's time to LAUNCH!

STEP TWO: MEET WITH YOUR GROUP

Have a meeting with your group. Let them know you are starting a fundraiser and that there is **NO SELLING OR DELIVERING OF PRODUCTS!** We simply encourage the participants to share their donation page for 2 weeks! To take your campaign to the **NEXT LEVEL**, ask them to come up with 10 to 20 emails of potential supporters who may help the cause. These supporters are called **VIPs!**

Participants can save their **VIPs** in their phones and bring them to the next group meeting.

STEP THREE: LAUNCH YOUR CAMPAIGN

The next time you meet with your group, have the participants copy and paste all of their **VIP** emails to their donation page. Once your participants have entered their **VIP** emails, they are pretty much done! The powerful pledge-drive software will automate about 5 (five) total communications to the participants and **VIP** supporters for the next 2 weeks... encouraging them to donate & share! The system will also keep participants and **VIPs** updated on the progress of the fundraiser! Participants and **VIPs** can unsubscribe at any time from the automated communications.

FINAL STEP: ENDING YOUR CAMPAIGN

After 2 weeks you will have a HUGE pile of money to spend! Your pledge-drive consultant will give you one big check at the end of your campaign along with any incentives for
